Lake County Air Quality Management District **Temporary Office Hours**

The Lake County Air Quality Management District (District) Board of Directors approved new temporary office hours for the District at the April 25, 2023 Board meeting. Effective immediately, District office hours are Monday through Thursday from 10am to 4pm. District staff recommends scheduling an appointment to ensure appropriate staff is available. Appointments may be available Monday through Friday between 8:30am and 4:30pm depending on staff availability. Please call 707-263-7000.

These new hours will provide District staff time to complete essential workload, including review of permit applications, processing grant projects, and performing inspections and complaint investigations.
